

Summer Camp

at Bluebird Montessori

	June 25-29	July 2-6 *including 7/4	July 9-13
Preschool ages 3-5	Full STEAM! *hosted by Springboard Experiences	Ways to Go	Paint Play
	All aboard the curiosity train! This camp is perfect for kids who like to put things together, take things apart, and create. We will design cities, experiment with color mixing, launch rockets, and more!	Trains, planes, and automobiles! Let's explore the wonderful world of transportation through puzzles, games, and art projects.	Prepare to get messy in this week of paint exploration! We will create masterpieces big and small with paint of all kinds.
Elementary ages 6-9	Fiber Art	Sculpture Garden	Inventioneers *hosted by Springboard Experiences
	This week will provide a wonderful introduction to many ways of making art with fibers of all kinds. Using fabric, wool, yarn, and more we will weave our way through this exploration.	We will spend the week making sculptural art for the great outdoors (or your backyard). Using a variety of materials, we'll create art that brings vibrant colors to outside spaces!	Do you have it in you to create something new? In this camp we will experiment with simple machines, gravity, force/motion, and art to design amazing things!
