	June 24-28	July 1-5	July 8-12
Preschool Ages 3-5 Mon - Fri 9:00-11:50 Cost: \$140	Little Chefs Chop! Slice! Mash! And more! Using delicious ingredients and recipes, the budding chefs will be introduced to a variety of culinary techniques. We will cook and eat our way through a menu of sweet and savory delights. Teachers: Leah Walsh and Shannon Maker	Art Exploration Campers will explore a wide array of art materials. Prepare for a mess as we will be splashing paint, squishing clay, glueing galore, and following our inner voices to create masterpieces! Teacher: Leah Walsh *Camp will be held on July 4th.	Nature Art We will use natural materials found outside to build and create one-of-a-kind art works. Nature mandalas, nature putty, and fabric dying with plant-based dyes are just some of the creative mediums we will explore. Teacher: Julia Cadieux
Elementary Ages 6-9 Mon - Fri 12:30-3:20 Cost: \$140	Not Just A Stick A stick can be a magic wand, a flying broomstick, a horse, a staff, and so much more! Following a strict safety protocol and constant supervision, kids will learn basic carving skills and work on a project such as carving their own slingshots or walking sticks. Teacher: Julia Cadieux	Plant Spells and Potions Unlock the mysteries of nature! Learn the hidden secrets of common native plants and trees; unlocking their power for healing, nutrition, and ceremony. We will celebrate the many wonders of common weeds, turning their flowers and leaves into food and balms. Teacher: Julia Cadieux	Puppets! Puppetry is an art form that combines performance and art. Our imaginations will create characters unknown and inspire stories untold. Using a variety of materials we will build and learn to operate puppets of our own making. Teacher: Leah Walsh
